GeoNews is a publication of the Carolinas Chapter of AEG. There are four issues per year, with deadlines and issue publication dates listed below. We publish news of the profession, announcements, student member news, technical articles, and job openings.

Deadlines for submittal to AE Carolinas GeoNews

(can be flexible depending on events)

Spring—deadline March 1, issue date March 21

Summer—deadline June 1, issue date June 21

Fall—deadline Sept 1, issue date Sept 21

Winter—deadline Dec 1, issue date Dec 21

Deadlines for submittal for the National AEG News:

March issue—January 15

June issue—April 15

September issue—July 15

December issue—October 15

MESSAGE FROM THE EDITOR

By Jennifer Thomas, P.G., Carolinas Chapter Vice-Chair

AEG Carolinas is coming out of hibernation and starting up with in-person events again. We are now resuming regular publication of GeoNews. We have a new board with both new and familiar faces. This issue includes pictures on page 5. We look forward to seeing many people we haven't seen since the pandemic began and reconnecting in general. This issue has information about the upcoming dinner meetings in Greensboro and Charlotte. We want to get our South Carolina members more involved as well and plans are underway to hold meetings in Charleston and possibly Greenville.

I am filling in to publish this issue of the newsletter as we work to reboot and get back into our roles in AEG. Adam Phillips is slated to take over future issues.

As the pandemic recedes and the economy shifts, there appears to be a sharp uptick in demand for geoscience ser-

vices. Looks like it will be a busy and profitable year for all of us. Hopefully we can find time for socializing, networking, and continuing education. Finding balance and taking care of ourselves physically and mentally will also continue to be important.

Since it's been awhile, some things bear repeating. If you know an undergraduate student studying geology, please let them know about the Carolinas Scholarship. The Scholarship board voted to increase the award to \$3,500, which should go a long way to support a deserving student. The money was not awarded this past year due to lack of applicants; odds are good you will win this scholarship if you meet the qualifications.

As North Carolina licensed geologists we are required to earn continuing education credits to maintain licensure. AEG presents opportunities at quarterly dinner meetings, classes, conferences and field trips to earn some of these credits, all of which are pre-approved by the NC licensing board.

Sponsorships from last year will apply to this year since AEG Carolinas was largely inactive. We appreciate the support of our sponsors, which helps provide free dinner meetings to students and offset some of the costs of meetings. Please contact Eric Cross (eric@pyramidenvironmental.com) to renew your sponsorship for next year or become a new sponsor.

We need volunteers to help us plan fun and educational events. If you are interested in becoming more involved with the AEG leadership, the focus groups, or AEG in general, please contact me or other members of the Carolinas Board. Professionals, regulators, and teachers are all encouraged and welcome.

As always, your board and I look forward to hearing from each of you regarding your suggestions and/or concerns related to our Chapter. We are here to serve the needs of our membership, so your feedback is vital and welcome.

Jennifer Thomas, P.G.

Our Board

By Jennifer Thomas

As we come out of the Covid-induced hiatus, I thought I would introduce this year's board members. We're starting up in-person events again and we'll be out and about seeing our members. You'll see some new faces and some familiar ones, perhaps in new roles. We are always looking for volunteers if you want to get more involved with AEG. In particular, let us know if you are interested in volunteering for the membership chair or social media chair as we need help with member outreach and field trip planning.

Walt Plekan,

Dinner Meeting
*The Carolinas Chapter of the
Association of Environmental & Engineering Geologists*
Guest Speaker:

Dr. Heather Hanna, P.G.

Forensic Geologist

PRESENTATION

“DIGGING UP THE DIRT ON FORENSIC GEOLOGY”

MEETING DETAILS

- Place:** Kau – Restaurant/Butcher/Bar
2003 Yanceyville Street, Greensboro, North Carolina 27405
- Date:** Thursday, October 21, 2021
- Time:** 5:30 PM socializing begins, 7:00 buffet dinner, 8:00 Heather’s presentation
- Cost:** AEG members \$30, non-members \$40, students free with college ID
- Reservations:** Please make reservations with Paul Weaver by 6:00 PM on Thursday, October 14
email: pweaver@espassociates.com.

Dr. Heather Hanna's Bio

Heather Hanna is a forensic geologist specializing in the analysis of rock fragments and mineral grains in soils as trace evidence. Since 2009, she has been involved in multiple forensic investigations and has testified as an expert witness in four first degree murder trials, the first of which set a legal precedent in Wake County for using geochemical analysis of mineral grains in court. As a result of her forensic work, she has been an invited speaker at multiple law enforcement conferences and has also presented her casework at professional geology and soils science conferences. Dr. Hanna holds a Bachelor's from Ohio Wesleyan University; a Master's from Duke with a focus on igneous geochemistry; and a Ph.D. from the University of North Carolina Chapel Hill studying the chemistry and mineralogy of soils from San Cristobal Island, Galapagos. She is also a licensed professional geologist in the state of North Carolina and currently works as a forensic geology consultant.

Presentation Synopsis

The use of geologic materials in criminal investigations has been traced back to the mid-1800s, and even alluded to in the Sherlock Holmes novel, *A Study in Scarlet*. In the years since, forensic geologists have used geologic knowledge and methods to help solve a variety of legal and national security-related questions. This talk will explore a range of forensic geology applications, including whether a suspect may have been at a North Carolina crime scene; whether a death was a murder, accident, or suicide; helping solve the theft of valuable cargo; and unraveling the origins of the exploding balloons bombs of World War II.

Thanks to the Sponsors of the Carolinas Section of AEG

Thanks to our chapter sponsors, without which our meeting dinners would be more expensive, and we couldn't offer reduced rates for the public sector employees and teachers, and free dinners for students. Be sure to tell them thanks for supporting AEG and our profession.

More Upcoming Chapter Meetings

By Rick Kolb

Chapter Meeting Planned for Charleston for February 2022!

The Carolinas Chapter is planning its first (in memory) chapter meeting in Charleston next February. One of our chapter members in Charleston, Rich Anthony, volunteered to plan the meeting. We have a student chapter at the College of Charleston and recently exchanged emails with the faculty contact for the chapter so that we can arrange a daytime presentation at the college by Rick Wooten, the 2021-22 Jahns Lecturer. We hope to see a large contingent of students at this chapter meeting. Rick has five different talks to give as Jahns Lecturer and will be the speaker at the chapter meeting that evening. Since Rick lives in Asheville, we also hope to arrange a daytime presentation by him at the University of South Carolina since he will pass through Columbia on the way to Charleston. Details will be on the chapter website, and you will receive an email blast that announces the meeting.

Chapter Meetings Planned for Charlotte in January and Raleigh in April

Now that Covid has declined considerably and most of us are vaccinated, we will hold our January chapter meeting in Charlotte and the April meeting in Raleigh (dates to be determined). Jonathan Gerst, our newly-elected chapter Secretary, has started to plan this meeting. We hope to have the Charlotte meeting at the Whitewater Center, where we held our last, pre-Covid, chapter meeting in January 2020, and we expect the Raleigh meeting will be at a venue where we've never met. Our speaker at each of these meetings will be Jahns Lecturer Rick Wooten, and we plan to have him speak at UNC-Charlotte and either/both NC State and UNC-Chapel Hill during the days of our chapter meetings. Details will be on the chapter website, and you will receive an email blast that announces the meeting.

Time for a Beer!

By Rick Kolb

The Carolinas Chapter held their first live event since our chapter meeting in Charlotte in January 2020. Social Chair Adam Phillips set us up on a picnic table at Lynnwood Brewing at 5:00 PM on Thursday evening and about a dozen people attended, including several non-members, and were there 'til after 8:00. Lynnwood has a wide range of beers (some still only \$5) and the nachos from the adjacent Wilson's Eatery were excellent! Based on requests from other AEG members, Adam plans to set up brewpub socials in the Triad and Queen City. You'll see an email announcement about those, and as usual, the announcement will be on our website, www.aegcarolinas. Here are some photos from the social in Raleigh. Thanks for attending!

SAEDACCO

Innovative Solutions:
Groundwater Interval Profile
Sampling Using Roto Sonic Drilling

SAEDACCO is using its Roto-Sonic drill to conduct Groundwater Interval Profile Sampling. This in-situ sampling system is used in sedimentary aquifers with a two inch stainless steel screen, inflatable packer and a Grundfos Redi-Flo pump to collect discrete formation samples at a rapid pace during the drilling process. This system assists the client in determining the vertical extent of contamination in aquifers without having to install multiple monitoring wells. Cost savings, innovative ideas! Let us know how we can help you on your next project.

conventional drilling, injection and
remediation services.**

Announcements

Time to Renew Your AEG Membership!

You have probably received an email notice from AEG National that it's time to renew your membership. Although your current membership is good through the end of the year, we start the renewal process now. As a bonus, if you join now as a new member, your membership includes the remainder of 2020 and all of next year, so you can pay the member's price when you attend the chapter field trip on August 16th in Greensboro and our next chapter meeting in Greensboro on August 21st. Go to www.aegweb.org to renew your membership or join AEG.

Need Continuing Education Credits?

If you are a licensed geologist and need continuing education credits beyond those from AEG, the Interstate Technology and Regulatory Council offers dozens of FREE training classes each year. Their calendar for 2021 shows 11 classes between October 14 and the end of this year. The North Carolina Board for Licensing of Geologists has pre-approved their courses (Approval Code ITRC). For the list, go to <http://www.itrcweb.org/training>.

Field Trip

The field trip scheduled in Chatham County on October 16 was cancelled due to lack of sign ups. We will attempt to reschedule the trip for a later time.

Carolinas Scholarship

In the Spring of 2022, the Carolinas Chapter of AEG will again be awarding an AEG Carolinas Scholarship to a deserving geosciences undergraduate student in North Carolina or South Carolina. Applications for the scholarship may be obtained at <http://www.aegfoundation.org/funds/carolinas.php>. The deadline for submitting the scholarship application is February 1, 2022, but we strongly encourage all interested students to start the application process by October, 2021 so they have time to pull together all the required information for the application prior to the submittal deadline. The amount of the scholarship for 2022 will be **\$3,500**.

The AEG Carolinas Scholarship was established in 2015 with initial seed money in the amount of \$10,000 from the AEG Carolinas Section (now the AEG Carolinas Chapter). The eligibility requirements for the scholarship are as follows:

Student must be an undergraduate geoscience major enrolled in a school in North or South Carolina.

Student must be an AEG Student Member.

Student must provide academic transcripts.

Student must provide an approximately 500-word essay that describes why they believe they deserve the scholarship and how they will use it (e.g., for tuition, field camp, books, etc.).

The scholarship application must be completed on the AEG Foundation website (www.aegfoundation.org) by February 1 of each year.

For anyone wishing to donate to the scholarship fund, donations can be made at any time on the AEG Foundation website at:

<http://www.aegfoundation.org/pdf/AEGF%20Donation%20Form.pdf>

ES eastern solutions

ENVIRONMENTAL EQUIPMENT RENTAL
& FIELD SUPPORT SERVICES

Eastern Solutions is an environmental rental and field service support company. Our inventory continues to grow with new and updated equipment and supplies. The equipment rental services offers free pick-up and delivery 90 miles from Charlotte (includes but not limited to Greensboro, NC; Greenville, SC; Columbia, SC), whether it's to an office or your job site. If you are outside the 90-mile radius, we offer free ground to and from shipping (equipment is shipped in plastic crates with pre-printed return labels inside). We'd like to thank all of our existing clients for their continued support and welcome any new clients. If you are interested in hearing more about Eastern Solutions, please let us know and we would be more than happy to come out and visit.

Below is a quick breakdown of the exciting things happening at ES:

Added Inventory / Supplies:

Along with several items added to our growing inventory, here is a quick list of those specialty items that have been requested:

- Core Drill w/ water kit
- Hammer Drills
- Diaphragm Pumps
- Air-Sparge System (Pilot Testing)
- SVE System (Pilot Testing)
- Sewer Camera w/Locator
- Downhole Camera w/DVR
- ATV / UTV Rental (Coming in April)
- Sand, Bentonite, and 55-Gallon Drums
- Large Selection of Vapor Points
- Carbon (Vapor/Water)

New Support Services

Based on our client's requests to expand our support services, Eastern Solutions now offers the following (Please note these services are for existing rental clients only):

- Bushhogging and Heavy Clearing (i.e. Forestry Cutter)
- Small Excavations and Trenching
- Silt Fence Installation
- Minor Storm Water Repair
- Downhole Well Camera w/DVR Service
- Sewer Push Camera w/Locator Service
- Field Personnel Support
- AS/SVE System Support and Installation
- Equipment Calibration and Repair Services

CALENDAR OF EVENTS—2021

Geological Events in the Carolinas

Courtesy of AEG Carolinas Chapter—www.aegcarolinas.org. Last updated April 27, 2020

Send updates/corrections to Rick Kolb, rick.kolb1@gmail.com

Meeting Date, Time, and Location are Subject to Change—Please Verify Prior to the Meeting

Date: Saturday, October 16, 2021

Event: Geologic Hike of the White Pines Nature Preserve + bonus field trip

Location: Starts at the parking lot closest to the confluence of the Rocky and Deep rivers

Cost: \$50 for AEG members, \$60 for non-members, \$25 for students

Details: Field trip of the nature preserve 9:00 AM-1:00 PM; lunch on patio at the Carolina Brewing brewpub in Pittsboro (**lunch/tea/soft drinks included in registration**); bonus field trip after lunch to an old quarry on the shores of Jordan Lake to see andesites and felsic tuffs, and then a short walk to see outcrops of diabase and Triassic sediments

Registration: Go to www.aegcarolinas.org

Date: Thursday, October 21, 2021

Event: AEG Carolinas Chapter Meeting

Location: Kau Restaurant/Butcher/Bar

Cost: \$30 for AEG members, \$40 for non-members, free for students

Details: 5:30-7:00 socializing, 7:00-8:00 buffet dinner; 8:00-9:00 speaker

Presentation: Heather Hanna, P.G., presents her talk, Digging Up the Dirt on Forensic Geology. Abstract her Heather's bio are on the chapter website.

Registration: Go to www.aegcarolinas.org

Date: Thursday, October 21, 2021

Event: Final meeting of 2021 for the South Carolina Association of Environmental Professionals

Location: British Bulldog Pub; Columbia, South Carolina (also on Zoom)

Details: Email H.W. Harter at hwharter@carbonservice.net

Date: October 20-22, 2021

Event: Clemson Hydrogeology Symposium – technical presentations on October 21, field trips on the 20th and 22nd not available

Early Bird Registration Deadline: September 20, 2021; online registration ends October 9

Cost: \$400; \$450 after September 20

Location: Madren Center at Clemson University; 230 Madren Center Drive, Clemson, SC 29631

Details: <https://www.clemson.edu/cecas/departments/cees/symposium/index.html>

Date: Thursday, November 4, 2021 (chapter meets the first Thursday of each month)

Event: Engineers Without Borders chapter meeting, Research Triangle Park Professional Chapter

Time: 12:00 noon

Location: Zoom meeting

Details/Registration: register via: [meetup.com/EWB-USA-RTP-Chapter/events/cbwwcsyccmbdb/](https://www.meetup.com/EWB-USA-RTP-Chapter/events/cbwwcsyccmbdb/)

Date: December 6-8, 2021

Event: Specialty Geotechnical Workshop for Dam & Levee Investigations & Modifications

Details: Two days of technical sessions, optional field trip on the third day

Cost: AEG members, \$450, non-members \$495, students \$100 (registration limited to 100)

Location: Westin Ft. Lauderdale Resort; Ft. Lauderdale, Florida

MEMBERSHIP APPLICATION

Association of Environmental & Engineering Geologists

AEG is geology in practice.

The benefits of AEG membership are many, but the simplest answer is that membership in AEG can enhance your technical and business knowledge, provide career opportunities, and introduce you to thousands of other professionals all while having fun in the process! Visit www.AEGweb.org to see all of the great benefits we have to offer our members.

1. CHOOSE MEMBERSHIP

FULL MEMBER

☐ Full Member Dues - \$140*

Applicants for Member Class shall hold a degree in geology, engineering geology, or geological engineering, or a degree in a related professional field with 30 semester-hours of credit in the geosciences. In addition, the applicant shall be practicing in the field of Engineering Geology, Environmental Geology, or Hydrogeology.

AFFILIATE

☐ Affiliate Dues - \$100*

Applicants for Affiliate Member Class shall be scientists or engineers who work with engineering geologists, or persons interested in environmental and engineering geology.

TEACHER

☐ Teacher Dues - \$35*

Applicants for Teacher Member Class shall be engaged in full-time teaching at the Primary, Secondary or Post-Secondary level in the area of Earth Science education or a related subject.

ORGANIZATIONAL AFFILIATE

☐ Org. Affiliate Dues - \$80*

Applicants for Organizational Member Class shall be engaged as members of similar geological science organizations but do not wish to become Full members of the Association.

INTERNATIONAL

☐ Int'l Member Dues - \$35*

Applicants shall hold the same requirements as Full Member Class. International Members receive (online digital access ONLY) to the *E&EG Journal*, Annual Directory, Annual Meeting Program with Abstracts and the *AEG News*.

If you are a current student and interested in membership, please visit www.AEGweb.org to sign up online or download the Student Membership application to complete and mail in.

* All paying memberships listed above require applicants to pay Section dues in addition to the applicable membership fee. Please visit www.AEGweb.org to view the entire list of sections and instructions on how to choose the section located within your zip/postal code.

I am joining Section _____

Section Dues

\$ _____

If you are not sure on the Section you should join, please contact us at (844) 331-7867 and we will be glad to assist you.

Send your completed form with payment to the:

Association of Environmental & Engineering Geologists
1100-H Brandywine Blvd
Zanesville, OH 43701-7303
Phone: (844) 331-7867 • Fax: (740) 452-2552 • www.AEGweb.org

2. CONTACT INFORMATION (please print legibly)

Individual Name _____

Company Name _____

Mailing Address _____

City _____ State/Province _____

ZIP+4 _____ Country _____

Are you a registered Geologist or Engineer? Yes _____ No _____

4. PERMISSIONS

I give permission to AEG to publish in print and online, including in Annual Directory as follows:

Publish the following:

☐ Website ☐ Name ☐ Company Name ☐ Address ☐ E-mail ☐ Do Not Publish

I give permission for contact by e-mail from the following*:

☐ From AEG only

☐ From AEG-sponsored events (e.g., AEG Annual Meeting, Shlomon Conferences)

☐ From third party organizations with industry-related interests

☐ Do not want e-mail communication (do not list my email in my member record)

* If you have agreed to email communications from AEG, please add the following email domains to your e-mail "safe list" now: AEGweb.org. This will help to ensure that you receive all communications from AEG (i.e., contact@AEGweb.org and all individual staff communications whose emails contain their name and end with @AEGweb.org).

5. PAYMENT

☐ Check (Make check payable to AEG) Total Enclosed \$ _____

To join/renew and pay by credit card, please visit www.AEGweb.org and Join or Sign In (located in the upper right corner). AEG currently accepts the following credit cards: American Express, Discover, MasterCard and Visa. AEG is unable to accept credit cards by phone, fax, e-mail or mail.

If you do not remember your Username or Password, use the **Forgot Your Password?** link on the AEG website by entering the e-mail address associated with your member record. Please contact the AEG office at (844) 331-7867 if you have any questions or have trouble signing in.

(Signature) _____

My signature attests that, to the best of my knowledge, I meet the academic and practice requirements for the membership class I have requested and that all information on this application are true and correct.

6. SEND YOUR COMPLETED FORM WITH PAYMENT TO THE ADDRESS ABOVE.

To join online, please visit www.AEGweb.org.

AEG memberships are based on the calendar year. Applications received after October 1 will be entered for the following calendar year.

Thank you! We appreciate your support of the Association of Environmental & Engineering Geologists.

AEG CAROLINAS CHAPTER – SPONSOR INFORMATION

The Carolinas Chapter of AEG supports many of its activities with financial assistance provided by our sponsors. Our activities include quarterly meetings, periodic field trips and seminars, a quarterly newsletter, and email announcements about our meetings and geoscience related activities. In addition, we donate large quantities of educational resources to science teachers.

We offer several levels of sponsorship, but they all have one goal: to keep the sponsor's name in front of our members and to bring you business. We have a real commitment to connecting our sponsors to potential buyers and will do all we can to help you build your business. Most of our members are practicing professionals with responsibility for selecting subcontractors, so our group is a great place to find new customers and to catch up with existing clients in an informal setting.

Our sponsors provide the financial support that allows us to have reasonably priced dinner meetings, host seminars, provide discounted dinner meeting costs for students and teachers, underwrite the cost of newsletters and our web site, provide geoscience mentors for students and young professionals, and support science education tools to our teachers and in our schools. All costs listed below are per year and end in December. New sponsorships received after October will continue to December of the following year.

Silver Sponsor (\$275):

GeoNews Newsletter: Business card size ad (2" high x 3-1/2" wide), four times per year.

Meetings: Listing on a Sponsor Poster, located at sign-in table. Verbal acknowledgement by name in Chairman's introductory comments.

Meeting Exhibits: Space for tabletop display at one meeting. Cost of meeting waived for one person on the exhibit date.

Email Announcements: Listing of your company name on each AEG Carolinas Chapter email announcement (our email list is currently over 1,000 people)

Web Page: Acknowledgement on the AEG Carolinas Chapter Web Page, www.aegcarolinas.org, with a link to yoursite.

Gold Sponsor (\$400):

GeoNews Newsletter: Quarter-Page ad (4-1/2" high x 3-1/2" wide), four times per year.

Meetings: Listing on a Sponsor Poster, located at sign in table. Verbal acknowledgement by name in Chairman's introductory comments.

Meeting Exhibits: Space for tabletop display at two meetings. Cost of meeting waived for one person on the exhibit date.

Email Announcements: Listing of your company name on each AEG Carolinas Chapter email announcement (our email list is currently over 1,000 people)

Web Page: Acknowledgement on the AEG Carolinas Chapter Web Page, www.aegcarolinas.org, with a link to yoursite.

Platinum Sponsor (\$550):

GeoNews Newsletter: Half-page ad (4-1/2" high x 7" wide), four times per year.

Meetings: Listing on a Sponsor Poster, located at sign in table. Verbal acknowledgement by name in Chairman's introductory comments.

Meeting Exhibit: Space for tabletop display at three meetings. Cost of meeting waived for one person on the exhibit date.

Email Announcements: Listing of your company name on each AEG - Carolinas Chapter email announcement (our email list is currently over 1,000 people)

Web Page: Acknowledgement on the AEG Carolinas Chapter Web Page, www.aegcarolinas.org, with a link to yoursite.

Titanium Sponsor (\$650):

Same as Platinum, but with a FULL PAGE ad in GeoNews. Limited to 2 Sponsors per year.

GeoNews Newsletter Sponsorship Only

Businesses or individuals can also advertise in GeoNews without being a full sponsor. The annual rates for advertising in GeoNews are as follows:

Business Card	\$ 40.00
Quarter Page	\$ 60.00
Half Page	\$ 100.00
Full Page	\$ 200.00

Please complete the form below and mail to Eric Cross, AEG Carolinas Sponsorship Chair. Please call or email if you have any questions (contact information below).
