

The South Carolina Association of Environmental Professionals invites you to attend!

- Date:** Thursday, January 16, 2025
- Time:** 6:30 pm (social) 7:00 pm (meeting start time)
- Where:** Weston and Sampson Office – 1201 Main Street, Suite 930, Columbia, SC 29201 or Zoom (link below)
- Cost:** No charge for paid members or first-time attendees
- Speaker:** Denise Bunte-Bisnett, Stantec
- Topic:** “Life as we know it in the Lowcountry—wouldn’t be possible without the Santee Cooper Project”

With four decades of dedicated service in the hydropower sector working for large public power providers, Denise is a seasoned professional civil engineer with a profound understanding of regulatory compliance, FERC licensing procedures, and navigating environmental permits. Ms. Bisnett works as a Sr. Consultant in Stantec’s mid-Atlantic Environmental Services business center. Stantec is a global leader in sustainable engineering, architecture, and environmental consulting.

The goal of this presentation is to share the intertwined history of water supply and growth in the South Carolina Low Country.
